

How to find us

The village of Eype is sign posted from the main A35 Bridport bypass enabling you to avoid the Town Centre.

After leaving the A35, follow the signs for 'Lower Eype' and 'To The Beach'. Pass the New Inn on your right and continue to follow signs for 'To The Sea'. We are located a short distance further along on the right hand side.

Please note:

Children are welcome to stay at Golden Acre, but we do not have any facilities for children. We recommend you bring a torch with you as Eype does not have street lighting. We do have car parking facilities.
